**STATE OF HAWAII
DEPARTMENT OF EDUCATION**

**HOME LANGUAGE SURVEY
FOR ALL NEWLY ENROLLING STUDENTS**

NOTE TO SCHOOL STAFF: *This form should only be given once, upon initial enrollment in the Department. Do not make changes to student languages in the Student Information System without first consulting your school's English Learner Coordinator.*

ALL newly enrolling students to the Hawaii State Department of Education (Department) MUST complete this Home Language Survey, regardless of race, nationality, or language origin. Title VI of the Civil Rights Act of 1964 and Equal Educational Opportunities Act of 1974 require that the Department utilize a non-biased procedure for identifying students who are potential English Learners (ELs) in order to provide appropriate language instruction educational programs and services.

The language information requested is essential for schools to identify eligibility for EL services and provide meaningful instruction for students. Indication of a language other than English does not ensure eligibility, but requires the school to conduct an English proficiency test to determine if a need for English language development instruction exists. These questions are used solely to offer appropriate educational services, not for determining legal status or for immigration purposes.

To ensure the language needs of all Department students are met, please complete the following:

- **SECTION A: Parent/Legal Guardian Information.** This response will help us understand how to best communicate with you as the parent(s)/legal guardian(s) in a language that you understand.
- **SECTION B: Student Information.** These responses will assist us in understanding a student's language background and whether or not a student's English proficiency should be assessed.

What does Hawai'i State Law require for childcare facility and school attendance?

Hawai'i State Law requires all students to meet physical examination, immunization, and tuberculosis clearance requirements before they may attend a childcare facility, preschool, or public/private school in the State.

Are exemptions allowed?

Children may be exempt from immunization requirements for medical or religious reasons, if the appropriate documentation is presented to the childcare facility or school.  - First date of attendance in the seventh grade.
- Must be performed by a U.S. licensed physician, APRN or PA.

2 Immunizations:

Immunizations are required for childcare facility and school attendance. Required immunizations depend on the age of the child (childcare or preschool) or grade of the student. All immunizations must meet minimum age and interval requirements between vaccine doses.

You can get a copy of the “Student’s Health Record” (Form 14) from the childcare facility or school where your child will be enrolled or from your child’s healthcare provider.

What if my child is transferring from another state or territory of the U.S.?

You will need to show proof that the health requirements have been met prior to childcare facility or school entry. The childcare facility or school will accept out-of-state records that meet the State of Hawai‘i requirements for physical examination, immunizations, and tuberculosis clearance.
