eWallet FAQs:

What happens to the unspent funds after the Fair ends?

Unspent funds do not expire. An email reminder will be sent monthly to ensure it is not forgotten. The funds will become an eGift card balance to be used throughout Scholastic online or to fund an eWallet for future fairs.

Can I use eWallet to purchase books for my teacher?

Yes! Simply create an eWallet under your teacher's name and let them know that you gifted them money.
