It's the last month of the year! It is a time for celebrating and sharing our silly, fun, happy side!

We also continue to be appreciative of what we have.

## ACTIVITIES:

We would love all of you to continue to stay connected with us and participate in the monthly themes. Here are the activities for December. Choose one or both!

**Draw a picture/Take a picture/Write something** of how you are silly, having fun, or what makes you happy! It can even be a picture of yourself with or without siblings wearing fun, ugly Christmas sweaters! Wear'um if you got'um!

Oh and you can continue to write warm fuzzies! This is a year-long activity!
