Re: School Year 2017-2018 Student Consumable & Planner Fees

**CONSUMABLES/WORKBOOKS**

As approved by the School Community Council on 5/17/16, Aina Haina Elementary will continue to partner with families through a consumable/workbook cost or fee program. It will be a shared, subsidized cost between our families and our school. Cost for consumables/workbooks within the ELA and Math school programs can total at or above \$40 per student per year at each grade level. These individual student consumables belong to the individual student and may be taken with them at the end of the year. The school purchases all individual consumables/workbooks/planners in advance for every student. Please know that every student will have access to individual consumable items regardless of ability to take care of the fees. If a part of or all of the following fees constitute a hardship for your family, please communicate with Mr. Gayer at the following email address: [tony\\_gayer@notes.k12.hi.us](mailto:tony_gayer@notes.k12.hi.us) or AHES phone 377-2419.

**CONSUMABLES/PLANNERS**

Beginning in Grade 1, student planners play a vital role in the loop of communication between home, student and school. It is used by all three segments to promote effective, consistent communication between home and school, develop strong student organizational habits and lays a strong foundational approach regarding time, planning and idea management.

Student workbooks and planners will be distributed to students on the first day of school by their grade level teacher. There will be no planner pick up day before the school year.

**CONSUMABLES/PLANNERS- FEE PAYMENT WEEK**

In order to make the process as convenient as possible for our AHES families, fees may be dropped off between 7:30-11:30 and 12:00-4:00 during the week of July 24-July 28. Fees may also be mailed in to AHES:

801 W Hind Drive Honolulu, HI. 96821 Attn: Fees 2017-2018

Individual Curricular Materials/Workbooks and Student Planners Cost: **\$30 (Grs 1-5) \$24 (Gr. Kindergarten- No Planner)**

Please make checks out to **Aina Haina Elementary School** with student’s name & grade on the memo line.
