

STATE OF HAWAII
DEPARTMENT OF EDUCATION
AINA HAINA SCHOOL
801 W. HIND DRIVE
HONOLULU, HAWAII 96821

January 8, 2019

Aloha,

When driving around and on Aina Haina's campus, please drive with attention, care and caution. It is of tremendous importance that everyone display mindful habits while behind the wheel, biking or walking on or near our campus. Everyone's health and well-being is valued. All of us are expected to demonstrate that value through the following ways when driving on or near campus:

Drivers, please.....

Be Attentive.

Be Aware.

Be Cautious.

Be Courteous.

Be Patient.

Be Safe.

Be Vigilant regarding Crosswalks for Bikers and Pedestrians.

We have been in contact with the District 7 Community Policing Group and have asked them to partner with us on campus and along W. Hind Drive to be sure we are all reminded to drive slowly, attentively and cautiously. When entering campus from either driveway, please slow down. When driving through our parking areas, please be attentive and cautious. Our little ones are harder to see between and behind parked vehicles. When coming to drop off or pick up your children, please be patient, courteous and cautious. No one's well being is worth shaving a minute off our arrival.

Be sure all children who should be in car seats, boosters etc. are strapped in until vehicles come to a complete stop for drop off or parking.

When walking from the parking lot on to campus, pedestrians should always use the sidewalks and crosswalks; avoid walking through parking lots where a driver's visibility can be compromised.

When biking to campus please dismount from your bike anytime you are using the crosswalks or entering/leaving campus.

Finally, please feel welcome to report to 911 any reckless or endangering behaviors on or around campus, particularly between 7:00am and 3:00pm when our children and families are most present.

Thank you all for your attention to our students' safety and well-being.

Be Safe,

A handwritten signature in black ink, appearing to read "A. Gayer".
